PROFESSIONAL SUMMARY

Executive poised to steer the Consortium into a future of sustained success and towards groundbreaking achievement in Strategic Planning, Financial Management, and Market Expansion. Equipped with a robust skill set in Leadership and Project Management to propel the Consortium to new heights.

Since 2022 she has been adding a tremendous value to her new role as the General Manager of Stevens & Associates Consortium in charge of Political issues, and projects in Africa. She is currently working to introducing visionary financial new approaches to secure lucrative deals that will help African Countries to finance major projects. She is also working closely to establishing robust partnerships with the Government of the Democratic Republic of Congo to develop strategic initiatives to build infrastructures with relevant projects such as: Smart City, Airports, Roads, Bridge, Refineries, and Electrical dams.

CONSULTING PROJECTS

- Worked as Consultant to help the Government of the Republic of Congo avoid bloodshed elections, and to organize a peaceful Presidential election in 2016
- Collaborated as Consultant to help Marktus Ltd to secure a contract to build social housing in Angola, and in Congo DRC in 2017,
- Spearheaded strategic initiatives to help Olive Oil Inc., to secure funds to buy Refinery's equipment, and establish business in Pointe Noire, Republic of Congo in 2017
- Helped Trans Global Power Ltd, to secure a Renewable Energy's contract for the entire country in Congo DRC 2018.
- As General Manager of Oman Oil and Mining's Ltd, helped to secure lucrative contracts in the Rep of Congo, and the Democratic Rep of Congo 2020.
- Founded Royal Crown Corporation to help Congo RC and DRC to secure funds for major development projects 2021.

In the past years, she had held Leadership positions for Non Profit Organizations where she had served as General Secretary and Vice President of INGA, a Northern California Congolese ONG. She also had served as Co-Chair Executive for a Non Profit Autism Support Group to help families who were dealing with the challenging issue of Autism at Saint John of Arc San Ramon in California (2007-2017). In addition, she also had worked as Sale and Marketing Associate for Profit Corporate American Insurance companies like Trans-America Long Term Care Insurance Company, and as Customer Representative Associate for Aetna Health Insurance Corporation. She graduated from the University of San Francisco California with a Bachelor of Science in Management, concentration Business Economics in 2014.

ALMA MATER: University of California Berkeley Extension in 1997. University of Kinshasa; Faculty of Economics Science (1994-1997) Zaire/ Congo DRC.

BUSINESS & HONOR SOCIETY

- ❖ Member of the DRC- USA Chamber of Commerce in Kinshasa, Congo DRC.
